### ATM Cassettes ■ Small Boxes

Mini-Fly Seal is a light duty seal designed for small aperture applications.

### Features

- Economical and suitable for a wide range of applications, especially small apertures no less than .078" (12mm) in diameter.
- Polypropylene with break strength of 10.5 lbs
- Overall seal length: 5"
- Double wall locking chamber protects locking mechanism from tampering.
- Multiple locking positions so that the seal can tighten on small or large gaps
- Laser marked or barcoded
- Available with or without flag
- No-flag version can be embossed on the barrel with 4 characters
- All flagged seals are in mat form; 5 seals per mat.

No-flag Mini-Fly Seal
