

Code Description

V Vinyl labels sets and singles

Can be adapted to suit any initiative. Supplied as singles or sets. The two/three part label sets carry warning and or advice or information. One normally placed externally and the other internally about the property. The third label can carry instructions for use or telephone number, etc.)

Generally used where it may not always be possible to use a double-sided window-warning label. Printed in two colours on white with a protective varnish against weathering.

All designed to instruction.
